

# Revolution Series

## THE NEXT GENERATION OF HIGH-CAPACITY FREEZERS

- Multi-option dual/redundant level sensing
- State-of-the-art touchscreen control system with data network
- Password-protected inventory access
- Variable temperature control
- Automation-ready with onboard inventory options
- Motor-driven tray
- Network inventory management and pick lists

As the value of stored material increases and the regulatory environment becomes more demanding, it's time for a

REVOLUTION
